

How to enter SPoC

Who can enter?

- Any school student studying in years 3 to 13 can enter.
- Students may work individually or in groups of up to 4 students.

How to enter?

1. Print off an appropriate entry form for your region.
2. Create your poster.
3. Securely attach the completed entry form to the poster with paper clips.
4. To protect the poster please send entries flat between taped sheets of cardboard. Do not send posters in tubes.
5. Send or deliver entries to the specified address on the entry form.

Notes

- Multiple entries may be sent together, but must have separate registration forms.
- Entries must be received by the **specified closing date** for the region.
