

SPoC Rules

- Posters may be any size from A1 to A2.
- Be sure that anything attached to the front of the poster is securely fixed. Do not attach perishable items.
- Posters must be the original design and creation of the student.
- Subject matter is the choice of the participants. Data may be original or published. Published data must be referenced.
- Posters must not contain any marks, names or information that could identify an individual, team, school, or location.
- Students may work individually or in teams. All other categories have a maximum size of 4 students. For teams of mixed entry levels, the highest level determines the category.
- A student may only work on one poster.
- By submitting a poster, students give permission for their work to be displayed at various conferences, special events, in publications and promotional material, and in electronic format on the internet. Posters become the property of the Challenge organisers and will not be returned.
- Judging will take place shortly after the closing date.
- Posters must arrive no later than the closing date specified for the region. Closing dates can be found on the Entry Forms webpage.
